

CSC 791 - Natural Language Processing

Term Project ReadMe File

This submission zip file contains the following components:

1. NLP_Final_Project.ipynb (Jupyter notebook with all the project code)
2. ReportR3_and_Term_Paper.pdf (Project Report with Term Paper pages affixed at end)
3. ReadMe.pdf
4. glove_bilstm folder (This folder contains the saved model of our final proposed model)
5. train.csv
6. test.csv
7. test_labels.csv

Extract the zip file into a folder.

Download GloVe Embeddings file from here:

<https://drive.google.com/file/d/1CmtDaivdpueipzU1jR1nobT6ig9w5GPh/view?usp=sharing>

Place the downloaded file in the same folder as the above files.

Instructions to Run:

1. **Upload this whole folder to your google drive.**
2. **Open 'NLP_Final_Project.ipynb' file in Google Colab.**
3. **Make appropriate changes to the DATA_PATH variable in second cell of Jupyter Notebook.**
4. **Run all the cells to get the thing running...**
